

Building Product Information Sheet

Class 1

Benchtops: Panda Black Natural Quartz

Building Product Information Requirements (BPIR)

Version: 1

Date Created: November 2024

Prdouct Name	Panda Black Natural Quartz
Product Identifier	Panda Black

Product Scope and Its Intended use

Panda Black marble is primarily intended for use as a **kitchen benchtop**, where its bold black surface with striking white veining adds a touch of sophistication and luxury to any kitchen space. The marble's durability, heat resistance, and easy-to-clean properties make it an excellent choice for kitchen countertops, ensuring both functionality and style. Its unique aesthetic enhances the visual appeal of modern and classic kitchens alike, turning the benchtop into a standout feature. Proper sealing and maintenance are recommended to preserve its beauty and longevity, making it ideal for homeowners seeking a durable yet elegant surface for daily use.

Building Code Clauses and contribution

B2 Durability – B2.3.1(c) , F2 Hazardous Building Material – F2.3.1, G1 Personal Hygiene- G1.3.2, G12-Water Supplier – G12.3.2, G12.3.5

Statement of Contribute to Compliance

This product is an essential component of a building's plumbing system, designed to control water flow at a designated endpoint (**B2 Durability**). It is easily accessible and replaceable, with any potential failure being quickly noticeable during normal use (**B2 Durability**). Its surfaces, which may come into contact with moisture or contamination, are non-porous and easy to clean, ensuring the product remains hygienic (**E3 Internal Moisture**). Constructed from safe materials, it does not emit harmful substances from exposed surfaces (**F2 Hazardous Building Materials**). As a sanitary fixture, this product is intended for installation with a plumbing and drainage system, meeting requirements for "Foul Water" disposal under G13 regulations (**G1 Personal Hygiene**). It is specifically designed to facilitate proper sanitation while allowing for efficient cleaning and maintenance (**G1 Personal Hygiene**).
